

A wireframe of:

# User Scenarios

There are two main types of users for Amego...

## The Customer/Payer.

A person who has signed up with various memberships and wants to use Amego to track their overall spending. Amego will help them to manage their spending over various periods of time.

## The Business.

A company such as a fitness center, child care center, money lending business, who will use Amego to track and forecast the recurring payments expected from their clients - the members. Amego will help the business to observe who may be unable to meet their payments and alert customers ahead of time.

## My Wallet

Features will include:

- Lorem Ipsum is simply dummy text of the printing and typesetting industry.
- Lorem Ipsum has been the industry's standard dummy text ever since the 1500s,
- when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic
- typesetting, remaining essentially unchanged.
- much more...
